# NETWORKING NIGHT

October 20, 2016 @ 5-7 pm

Skidmore College's MDOCS, Arts Administration, and Media & Film Studies cordially invite you to a meet-up event with community professionals working in documentary, communications, the arts, arts administration, media, journalism, exhibition, public history, and other related fields.

Please join us at **Saratoga Arts (320 Broadway)** on **October 20, from 5-7pm** for refreshments, hors d'oeuvres, and lively conversation.

The goal of this event is to connect Skidmore students and faculty with professionals in the organizations and industries they would like to explore, and to facilitate connections for possible spring internships. The evening will also offer local community members a chance to meet each other and explore opportunities for collaboration.

We'll provide a collective table for flyers and other materials for more information on each program.

We hope that you are able to join us.

Please RSVP to [mdocs@skidmore.edu](mailto:mdocs@skidmore.edu) by **Oct 17**.

Best wishes,
