

OCSE & MDOCS PRESENT: P H O T O G R A P H Y W O R K S H O P

Traveling Abroad? Document your travels near and far with engaging and memorable photos.

Friday, Feb 16th @ 2-4pm

Palamountain 426

Document your world: Learn how to compose a compelling photograph using your own camera.

Friday, Apr 13th @ 2-4:30pm

Palamountain 426

Photo Editing: Bring 3-5 pictures for an introduction to editing with Photoshop.

Join Skidmore alum and photographer **Eric Jenks** for a hands-on workshop on taking and editing compelling photos with any camera.

No experience required!

These workshops are for anyone planning to study abroad, travel over spring break, or explore or document closer to home, and those who have photos ready to share.

REGISTER for either or both workshops by writing to mdocs@skidmore.edu.
