*with*

# CAROLYN CHERNOFF

**APRIL 1st & 2nd**

Join Dr. Carolyn Chernoff (cultural sociologist, 'zine-making wizard, and Skidmore faculty '13-15), to help us understand zines at the interface between activism, DIY culture, and artists' publication, and also to help us make our own.

### Zine-making Workshop

APRIL 1 @ 1-5pm, Tang

Collect the images and text that the world needs to see (your own, by others, or a mix) and leave with a small edition of your own zine. Space is limited! RSVP to [mdocs@skidmore.edu](mailto:mdocs@skidmore.edu).

### Roundtable: Radical Print Culture

APRIL 2 @ 12 noon, Tang Atrium

Join Carolyn Chernoff, Adam Tinkle (MDOCS/MFS), Wendy Anthony (Head of Special Collections at Lucy Scribner Library), Sean Fuller (Tang Museum Store and Publications Manager), and Tang Museum Store Associate Evelyn Wang '19 for a brown bag lunch.

Light refreshments and sweets served at both events. Supported by the Tang, Project VIS, and MDOCS.
